

# **Deputy National Commodore - Mission Support**

## **Mission Statement**

The Mission Support Directorate will provide the services necessary to ensure that all elements of the Auxiliary have the appropriate and most efficient tools to execute the missions of the United States Coast Guard Auxiliary. This Directorate will ensure that the services rendered reflect those elements allowing our members to be the best prepared service organization in America.

Partnering with the National Board, the Mission Support Directorate will manage, maintain, and create the tools necessary to accomplish all missions, and communicate them to the members, in a timely manner, consistent with best practices established by the National Commodore for continuing Auxiliary support to the Coast Guard, the boating public and the members.
